

Writings from the Ancient World

Volumes in Writings from the Ancient World provide teachers, literary critics, historians, general readers, and students direct access to key ancient Near Eastern writings that date from the beginning of the Sumerian civilization to the age of Alexander the Great. Volumes typically offer historical and literary background to the writings, the original text and English translation, explanatory or textual notes, and a bibliography.

To establish a standing order for this series at a 20 percent discount off list price, complete the information requested at the end of this form. If you establish a standing order for Writings from the Ancient World, you may also order prior volumes in the series at a 20 percent discount by checking the titles below and on the following page that you would like to order, then sending an original or photocopy of this order form to our customer-service department.
